**MEMO ENDORSED**

**Re: *Cruz Rosales et al v. Bklyn Local Draft LLC et al***  
**Civil Action No. 1:24-cv-05572-JGLC**

Your Honor:

We represent the Plaintiffs in the above-referenced matter, and we write with the consent of counsel for Defendants to respectfully request an adjournment of the settlement conference scheduled in this matter for December 9, 2024. This is the parties' first request for an adjournment of the settlement conference.

By way of background, Judge Jessica G.L. Clarke previously issued an order referring this matter to a settlement conference and directing the parties to exchange certain discovery ahead of the settlement conference. Dkt. No. 10. Pursuant to said Order, Defendants recently produced records regarding Plaintiffs' wages and work hours, which amount to nearly 3000 pages. Additionally, Defendants have advised that financial records supporting Defendants' claims of inability to pay will be provided upon the execution of a confidentiality stipulation, which the parties are currently drafting.

In light of the substantial volume of records recently provided by the Defendants, along with their expectation of producing additional financial documents, Plaintiffs require additional time to review and process these materials before the scheduled settlement conference. Therefore, the parties respectfully request an adjournment of the settlement conference to allow adequate time to review and process these records and prepare for meaningful participation at the settlement conference.

1. February 3, 2025
2. February 4, 2025
3. February 10, 2025
4. February 11, 2025

We thank the Court for its time and consideration in this matter.

Respectfully submitted,  
/s/ Katherine Morales
